Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

VOLUME TWO COMPLETED.

Sincere thanks are here extended to all who have contributed their membership fees of two dollars a year, and to Mr. Samuel Hill and Judge Thomas Burke for generous special contributions, making it possible to complete the second volume of the Quarterly. There are a number of delinquents who have received all numbers of the magazine without paying for them. It would greatly encourage the workers if they would remit at once. No more numbers will be sent to such addresses until the bills are paid.

EDMOND S. MEANY,
Managing Editor.
